

Ignacio S. Galán

Born in Salamanca (Spain), in 1950

Ignacio S. Galán is the Executive Chairman of Iberdrola as well as the Executive Chairman of the Group's country subholding companies in the United Kingdom (ScottishPower), in the United States (AVANGRID, a company listed on the New York Stock Exchange) and in Brazil (Neoenergia, a company listed on BOVESPA).

Since his arrival at Iberdrola in 2001, his commitment to international expansion and the need for electrification through renewable energies, smart grids and energy storage have transformed the company into one of the largest in the sector in the world, with a presence in dozens of countries such as Spain, United States, United Kingdom, Brazil, Mexico, Germany, Portugal, France, Italy and Ireland, as well as Australia, Poland, Sweden and Japan, and supplying energy to more than 100 million people around the world.

He holds **Honorary Doctorates** from the universities of Salamanca, Comillas (Madrid), Edinburgh and Strathclyde (Glasgow). He is currently Visiting Professor at the University of Strathclyde, President of the Social Council of the University of Salamanca, member of the Presidential Advisory Board of the Massachusetts Institute of Technology (MIT) and trustee of the Comillas-ICAI University Foundation.

He is a member of the **World Economic Forum** (Davos), of the **Renewable Hydrogen Coalition**, of the **European Round Table for Industry** (ERT), of the **JP Morgan International Council** and of the **Global Leadership Council** -UNICEF's Generation Unlimited-.
