Closing of the first edition of the “Iberdrola Retribución Flexible”  
optional dividend system of the fiscal year 2024

Pursuant to article 227 of Act 6/2023, of March 17, of the Securities Markets and Investment Services (Ley 6/2023, de 17 de marzo, de los Mercados de Valores y de los Servicios de Inversión), and related provisions, and further to our notices of other significant information (*comunicaciones de otra información relevante*) filed with this National Commission on 20 June and 2 July 2024 (with official registry numbers 29,232 and 29,480, respectively) regarding: (i) the implementation of the paid-up capital increase approved by the General Shareholders’ Meeting of “Iberdrola, S.A.” (the “**Company**”) held on first call on 17 May 2024 (the “**2024 General Shareholders’ Meeting**”) under item 12 on the agenda<sup>1</sup> (the “**Capital Increase**”); and (ii) the supplementary payment to the dividend corresponding to the fiscal year 2023, which was approved by the 2024 General Shareholders’ Meeting under item 11 of its agenda and under the Common Terms (the “**Supplementary Dividend**”), both in the context of the first edition of the “*Iberdrola Retribución Flexible*” optional dividend system of the fiscal year 2024, we hereby inform you that:

- a) The period for trading the free-of-charge allocation rights corresponding to the Capital Increase ended on 17 July 2024.
- b) During the period established for such purpose, the holders of 2,015,465,974 shares of the Company (which represent 32.299 % of the share capital of the Company) have elected to receive the Supplementary Dividend. As a consequence, the total gross amount of the Supplementary Dividend that will be paid on 29 July 2024 is 707,428,556.87 euros, which results from multiplying the gross amount of the Supplementary Dividend per share (0.351 euros) by the number of shares whose holders have chosen to receive the Supplementary Dividend (2,015,465,974).

As a result of the foregoing, these shareholders have expressly waived 2,015,465,974 free-of-charge allocation rights and, thus, 59,278,411 new shares corresponding to the referred rights. Furthermore, the payment of the Supplementary Dividend has been rendered without effect in respect of the amount which has not been paid to those shareholders who have chosen (expressly or tacitly) any of the remaining options under the “*Iberdrola Retribución Flexible*” optional dividend system.

---

<sup>1</sup> And under the section titled «*Common terms and conditions of the dividend payment and increase in share capital resolutions proposed under items 11, 12 and 13 on the agenda, pursuant to which the “Iberdrola Flexible Remuneration” optional dividend system is implemented*» (the “**Common Terms**”).
